- Father's Day Pancake Breakfast Fundraiser Sunday June 20th

"Raising the Roof"

The West Interlake Trading Company is a non-profit tourism development & community service organization. We promote tourism in the West Interlake Region by developing partnerships between local tourist attractions and by creating and marketing tour packages.

Our biggest community service project for 2010 is the stabilization and retrofit of our local grain elevator. The roof is badly in need of new shingles and all of our current efforts are fundraising for this project. Our long-term goal is to turn the elevator into an interpretive centre.

Warren is known for being the turn-a-round station for the Prairie Dog Central Railway and WITC, in partnership with Warren & District Lions Club, works hard to create a "destination" which will delight visitors, with the beautiful Lions Park Complex, Country Market, and educational Grain Elevator Tours.

All of this work is done by dedicated volunteers without the help of whom, the elevator would not exist today.

Prairie Dog Central Railway stopping at Warren's Grain Elevator

Important Fundraiser BBQ & 3T Auction

The Time Talent & Treasure Fundraiser Auction is taking place, Friday June 4th, at the Warren Grain Elevator site. Starting at 6PM with a delicious Steak/Spud & Caesar Salad BBQ (tickets are only \$12 each, cash bar) contact us at 461-4040 to reserve yours.

The Auction starts at 7PM and M.L.A. Ralph Eichler is going to be our Auctioneer. To see the awesome list of donations (partial list on the back), check out our website for the complete list as, it grows daily! *All net proceeds go toward the repairs & shingling of the grain elevator and its roof.*

Trading Co. Craft Sale November 6 & 7, 2010
